Welcome

From the desk of the Secretary/Director

At SSMT our focus is to give students world class facilities and knowledge. We train them to become great professional in their respective field. Our college focuses on theoretical as well as practical knowledge. We encourage students to take part in co-curricular activities so they could grow as a good human being.

Every student has abundance of potential, here we tap those hidden potential.

As much as we need doctor there is also a need for nurses and para medical to work with patients same is the need of pharmacist to translate doctor's recommendation into real health improvement. One needs to make difference in peoples lives This can take place in hospital, hospice, doctor's office, school, camp nursing homes, or patient's residence. "I want to make the world a better place" by providing the best facility and quality education to the students.
