## ***About our founder***

Florence College of Nursing is a cherished dream of a great pioneer, a devoted, socialist and leading educationist Late **Md. Hazi Ahsan Ansari**.

He had an Ernst desire to build up an institution where education is blended in all colours of human values. As an educator, he firmly believed in holistic education and laid its foundation in our Florence College of Nursing curriculum.

This approach as the core mission and vision of Florence College of Nursing has successfully integrated the social, emotional, academic and ethical needs of the students over the years. Thus, enabling them to connect better with the world around. Today the Florence Group of Institutions takes pride in building and shaping a quality institution steered through his lofty vision and values.

## Message from the Desk of **Director**

As much as we need doctor there is also a need for nurses to work with patients and translate doctor's recommendation into real health improvement. Nurses not only prepare you for a great and financially rewarding carrier they also give you the knowledge and skills. You need to make difference in people live. Students of Nursing have job prospects in government or private hospitals, nursing homes, clinics and old age homes, orphanages, industries, military services, schools and various other places. Nursing comprises the largest group of people working in health sector.

The aim of this institute is to prepare professionally competent and qualified nurses to be at the forefront of new advancements in the field of health care, administrative field and research. The institute emphasizes on all round development of the students to make them well cultured and civilized human beings of the society.

I, on behalf of Florence family welcome all the students and wish you all the best for achieving greater success and scaling new heights in the coming session.

With blessing and warm wishes,

**Dr. Shaheen Kausar**

M.B.B.S.  
Director
